
Total War Warhammer 2 Reset Skill Points

October 13, 2020", a subreddit for the Total War strategy game series created by Creative. To be honest, I only use 2 skill points per level for the lords mod. ----- Tanya You can say that I can't use 3 skill points because if I do, I lose more points in my empire, but if I can use 3 skill points, it gives me more options for my lords, especially considering, that I don't use my houses for their lords. You never saw me use my houses for my lords. Of course, if they are to be used for their houses, then I will save a few skill points.
