TEAM MEMBER Riley Reiff LT Michigan Despite starring at left tackle for a team that won its first title in 45 years, Reiff was also heralded as a pass-blocker and runner for the Wolverines. He started the last 11 games of the season. JACK CLARK CM Cal Poly Clark is the current leading scorer among all players in NCAA history with 218 career points. In addition to his goal-scoring ability, Clark is an adept passer and excellent dribbler. At 6-foot-1 and 176 pounds, he has a wide frame that will play well across the midfield. TYLER SMILEY CM Purdue Smyley, a three-year starter, is a two-time All-American and Big Ten Player of the Year. The midfielder plays with poise and is deceptively fast. He is, however, at a slight 6-foot-1-inch and 170 pounds. JACK GRAHAM DM Notre Dame Graham has anchored the Notre Dame defense for the last two years. He graduated in 2014 as the school's career leader in interceptions and starts. A verbal commitment to Michigan, Graham is a highly regarded linebacker recruit. AXEL ELLISON DM Minnesota Elliott is the team's leading scorer. He has also made a dramatic change for the better as his foot speed increased during his sophomore season. At a stout 6-foot-4, 221 pounds, he is both a tackling machine and explosive tackler. JORDAN MAULIKEN FW Washington State Mauliken is a program-record holder in various defensive categories. His ability to guard multiple positions is an asset to this defense. At 6-foot-3, 226 pounds, he is strong enough to play as a three-down linebacker. ERIC MURDOCK DM Arizona Murdock is the captain of the Wildcats, a role he has held since his freshman season. Murdock is one of the state's best defenders, possessing the ability to lock down an opponent's top offensive player. CODY FISHER MF Bowdoin A transfer from California, Fisher is a versatile and athletic

The game that the fans love and the game that gives us a great platform to try out new things. NEW PLAYER STYLES, ON-FIELD PERFORMANCE AND SKILL GROWTH NEW PLAYER STYLES, ON-FIELD PERFORMANCE AND SKILL GROWTH Players can practice their moves using a new player transformation system. Players can now use their football skills and speed to weave through defenders, and turn and dribble past them, just like the real thing. In addition to freedom of movement and improved ball control, players can now also use some of the game's new passing controls. With the simple press of the RB button, players can lob the ball long and through the air, as well as perfectly lofted passes and precision strikes, turn them around and deliver them off the shoulder, or curve it with the touch of a button. FIFA 22 will feature this new skill progression system, along with an improved engine and smarter AI. With the new system, players will have to master complex passes and strikes using various football skills in different game modes. It will be up to the players to perfect these techniques to help their team build a winning streak. The new Player Transformations system allows players to use their football skills and speed to weave through defenders, turn and dribble past them, and to use precise dribbling to beat them. FIFA 22 will feature a new UI and presentation. Improved menus
