Farm Together is a unique, easy-to-play, small-scale farming game. But you're also a farmer, business owner, blacksmith and craftsman, with different specializations and needs to look after. In this new pack of five new animal species, we've included three new crops, a new kitchen, new clothing and of course a new livestock. The pack also features new armor, weapons and farming accessories, like a crowbar, cowbell, goat horns, a wooden mallet, a wheelbarrow and a forge, as well as new decorations for the houses. This pack is designed to be most useful to farmers, but is still suitable for beginners and long-time fans of the game. You can also use the 5X experience card to upgrade the pack to 5x the experience, in case you have less than all the items in the pack. The pack includes: ◦ 5 new animal species ◦ 5 new crops ◦ 5 new outfits with different skins ◦ 5 new hair ◦ 5 new backpacks ◦ 5 new furniture ◦ 5 new decorations ◦ 5 new weapons ◦ 5 new armor ◦ 5 new farming accessories
