What's new:

The story of Tarnished is a war-torn fantasy tale set in the Lands Between between Middle-earth and the Elven lands. Silvielle and Hilda, the original protagonists, are the only survivors in their hometown in a wasteland divided into warring states. While on their way to a school of magic, they crossed the doorstep to a more exciting world full of mythic adventures. At best, this will be the last time in your lifetime you will see your hometown.

Tarnished is a downloadable game, developed based on the Unreal Engine. All features are fully optimized for the Wii console.

Rise, Tarnished and be guided by grace to wield the power of the Elden Ring and become an Elden Lord. The War Between the Elves and the Orcs and the resulting devastation extends to all lands. Even in the wasteland, separated by the Lands Between, both sides have risen and endless conflict continues.

In late 22nd century, with the threat of war fading, the planet is coming to an end of its natural life. For a couple thousand years already, man has lived on the resources of the Earth, and the only thing that remains is this desolate world. Foreseeing humanity's downfall, the planet was abandoned by humans, leaving it to the mammoth continent of Erobia. But Erobia was far from being abandoned forever. A young man, Ranale, journeys to the continent to find a way to save his family and the world. However, he only gets lost in the land of savage creatures and the towns that have been
