Kick-Ass is a super-fun, super-deep, super-cool game with super powers! Each level has a unique art style and enemies to defeat. You'll need to use your powers strategically in order to use your moves and be as efficient as possible to beat the challenges. You'll unlock new moves and combos as you defeat enemies, and can unlock extra features like permanent invulnerability. You'll get an awesome soundtrack and learn some cool fighting techniques along the way. To start the game, all you need is a Wii Remote and Motion Plus. Key Features: Hands-on (two-player): Test your combat moves against a friend on the same screen! Teamplay: Take down enemies together; punch, kick, jump, and combo 'em all! Power-up Moves: Unique moves you can use to get through the game easier. Instant-Win: Unlock instant-win power-ups for extra points! Perma-Invulnerable: Invulnerability from punches, kicks, and explosions means game over for the enemy! Super-Stunts: Easy-to-use super powers you can use in conjunction with your moves to beat enemies! You are Kick-Ass! Using your awesome new kung-fu superhero skills, you're going to take revenge on the king of crime, Frank D'Amico, otherwise known as The Joker. You've heard about the crime lord's evil plans, and it's up to you to stop him and his gang of brutal goons. In this tough and exciting action game for the Wii, you're going to have to work hard to save the city

and become a superhero. With great graphics, awesome special effects and realistic moves and animations, you'll be running, flying, punching and kicking like a real, over-the-top action hero. The game uses the same "Point Blank" game engine as the popular EA games "Need for Speed: Underground" and "Need for Speed: Most Wanted". You'll race against a bunch of opponents in a variety of street based races and you can show off your awesome moves in knockout-style stunts. Of course, you won't be alone in the game, with plenty of cops trying to catch you for good. And they don't want you to be a superhero... they want you to be a
