
ReFx Nexus 2 Expansion Apres-ski.torrent !LINK!

This is a tutorial for using the Nexus2 Expansion pack in Nexus 2. I have created the following walkthrough in Google translate as I read in German and the words I used were not accurate or to my knowledge existed in a similarly easy to understand. Thank you. Instruction (Even though this is in English, Google translate has provided this for me) 1. Go into ReFX Nexus 2 2. Click on the Nexus 2 folder 3. Click on Nexus 2 Expansion 4. Click on the Files tab (Grey) 5. Click on the Files tab (Grey) 6. Click on the Open/Download tab (Black) 7. Click on the Download tab (Black) 8. Click on the Download tab (Black) 9. Click on the Import tab (Black) 10. Click on the Import tab (Black) 11. Click on the Browse tab (Black) 12. Click on the Browse tab (Black) 13. Go into the Archive and find Apres Ski 2 (my Nexus 2 Expansion) and click Open 14. Go into the Archive and find Apres Ski 2 (my Nexus 2 Expansion) and click Open 15. Click on the Open button 16. If it worked, a Nexus 2 Expansion folder should now be there 17. Close the file browser by clicking on the X in the upper left corner 18. If you see a grey box, click on the OK button in the top right 19. Click the Edit menu (Gear icon) 20. Click the Preferences option 21. Click on the Edit menu (Gear icon) 22.
