
PSXLDR PSOne Large Data Ripper PCI

June 3, 2021 - answered by toralp 7b17bfd26b. holrob Feb 12, 2022 8:05 AM Ever since Metro 2033 was released in 2009 and 13 years later, author Dmitry Glukhovsky released a sequel to Metro 2034, all fans have been eagerly waiting for the new book. And now, after another three years, on January 26, 2022, Dmitry releases a new book, Metro 2035. The new book is a direct continuation of Metro 2033, and in fact is a direct continuation of the first book, where the focus is on the story of Artyom. The Metro 2035 book will continue the stories of the characters from the first book, namely
